Community Cafes:

- We address issues raised by the community;
- We create a safe space for community members & stakeholders to talk;
- We learn and grow together;
- WE TAKE ACTION TOGETHER

Workgroups are where the action happens. Community members and stakeholders come together to take steps towards positive change. Together we are working to improve the child protection system. **Join us to share your experience and expertise!**

Examples of Questions that Matter (the questions that guide our conversations).

- What's working?
- What's not?
- What's your experience?
- What can we do?
